Patterson's The American Democracy has long been a best
seller for American government courses due to its
insightful, readable, and balanced portrayal of the
American political system. The 11th edition continues this
tradition of excellence while also introducing a new

emphasis on political thinking at a time when the partisan divide seemingly could not be wider and unbiased political information is often drowned out by other sources.

Democracy in America - School of English and American ...

4 Democracy in America was based. If they were true principles, as they were, the gov-ernment founded upon them was destined to a life and an influence that would continue while the liberties it was in-
