Wikipedia will tell you that a billing invoice is like a commercial invoice document issued by a seller to a buyer. This documents a sale transaction and indicates the products, quantities, and agreed prices for products or services the seller had provided the buyer. This is an official statement issued by a store that lists or indicates the things you have purchased or services you have availed.

[Billing Invoice Forms - 6 Free Documents In Word, PDF](#)

What is a Billing Invoice? Billing invoices are used to show a client the details of whatever products or services are to be rendered. This is issued before a client receives any of them in order to allow the client to be aware of the information regarding the prices, as well as the quantities and types of these products and services.
