I have been working on a Coaire mini split system 2ton ...

The reason I ask about welding is that we install mini splits everyday and the manufacturer request no welding to be done because it might cause a restriction in line. Thanks opn for any other questions and sorry it took so long . The server I used crashed and had to go to next building to get back with you. If you do not mind please rate at least good service. We do not get paid if you do
