[What is a Dissolution of Marriage? | DivorceNet](#)

In a few states, however, a dissolution of marriage is not the same as a divorce, because it does not permanently terminate marital status or because it can only be used for certain cases, such as where a couple agrees to the dissolution and agrees on how everything will be resolved (for example, alimony and division of property). For purposes of this article, we'll focus on the more common use of the term.
