This electric version from Bradley uses those same biscuits and has all the features of the original Bradley smokers, but it includes digital controls so you can set the time, temperature, and amount of smoke for the perfect results every time.

What to Do When Smoke Alarm Keeps Beeping?

What to Do When Smoke Alarm Keeps Beeping? Smoke detectors are intended to make a chirping noise once the battery needs changing. Newer smoke alarms keep some errors in the processor. The smoke alarm must clear errors after the battery is changed, but it might continue to chirp even after you change the batteries. This usually occurs in electrical powered smoke alarms with a battery backup.
