First-aid certification test. When all of the course modules are complete you will be directed to a ten-question, multiple-choice exam that tests your knowledge on all of the above areas. To pass and receive your certification, you must answer at least seven of the questions correctly. While the questions are designed to be challenging enough to ensure a full knowledge of the subject matter, test-takers have the option of retaking the exam as many times as necessary, at no additional charge.
