Kindergarten Math Centers Would also have the cards colour coded, perhaps with a pattern to put the counters on. If children need fine motor advancing, I'd have textile resources to put on with tweezers. Also I great idea for counting pennies and introducing money to kids!

Kindergarten Math Centers unbelievable stuff here to use in my classroom.

Happy Little Kindergarten: Common Core Math Centers ...

As I continue to work on a HUGE common core math bundle, I can't help but post a few of my class favorites from this year. Here, I made a

How to Create Smart Literacy Centers that Last All Year ...

Creating a center that is open-ended is the smartest kind of work for me. By making the kindergarten center activities be choices or have options then I also have flexibility to meet with students or groups for as long as I need. This flexibility level alone makes me a more relaxed, happy and confident teacher knowing I can get it all done.

Happy Little Kindergarten: Common Core Math Centers

Currently, my class is working on representing, writing, and identifying numbers 1-10. I do this the first few weeks of every school year. As my

How I Start Centers At The Beginning of Kindergarten ...

I also think it's important to keep the centers relatively simple at this point (non-academic tasks like in Stage 2), so that students can focus on learning the routines. Stage 5: Rotating through simple academic centers. Stage 5 is pretty simple continue practicing switching centers, but introduce academic activities into the mix.
