The Four Major Types of Essays Time4Writing

Effectively writing different types of essays has become critical to academic success. Essay writing is a common school assignment, a part of standardized tests, and a requirement on college applications. Often on tests, choosing the correct type of essay to write in response to a writing prompt is key to getting the question right. Clearly, students can't afford to remain confused about types of essays.

A Study of Business Models ccs mit edu

We do not even know, for instance, how common the different kinds of business models are in the economy and whether some business models have better financial performance than others. This paper provides a first attempt to answer these basic questions about business models. To answer the questions, we first develop a comprehensive typology of four basic types of business models and 16
