The wackiest road trip in history comes to an action-packed conclusion in book five of the New York Times bestselling Genius Files series. When we last left our heroes, twins Coke and Pepsi McDonald were in Roswell, New Mexico, and they had just seen a strange beam of light.

The Genius Files 5 License to Thrill by Dan Gutman

License to Thrill (The Genius Files Book 5) by Dan Gutman follows Coke and Pepsi McDonald as they finish their summer vacation trip and return home with their parents. As with the other four books in the series, Coke and Pep get caught in some impossibly unbelievable scenarios: an alien abduction, a venomous snake attack, a volcano, and the Hoover Dam water turbines. But, hey, it is fiction after all. And that is the appeal of the book; that and the full throttle humor, of course.

<http://worldshardestgame.co/The-Genius-Files--5--License-to-Thrill-by-Dan-Gutman.pdf>

The Genius Files 2 Never Say Genius by Dan Gutman Read

Hold on for just a minute here. Before I tell you how Coke and Pep were lowered into a vat of boiling oil, you really need to read a book called The Genius Files: Mission Unstoppable. Because if you didn't read that book, this one is going to make no sense at all. It would be pointless. So get a copy of that book and read it. Then come back and start this one again.

The Genius Files 5 License to Thrill Dan Gutman

But it's fun hooley. A character that's been seen throughout the series dies in the end, but that's okay. (Just trust me.) If you liked the first four books in the series, you, oh, what am I saying. If you liked those you already bought this one. If you haven't read the Genius Files series yet, you really oughta. 'Nuff said.
