A Regular Guy , Mona Simpson, 8 Oct 1996 - amazon.com

We chose "A Regular Guy" as a book club read after reading the biography of Steve Jobs. The author, Mona Simpson, was Job's sister, though they never knew each other in childhood. This was an interesting part of the Jobs story, and an interesting story in itself. From that biography, I learned that "A Regular Guy" was based on Jobs.

Unfortunately, The Regular Guy looks like it is the beginning of a piecemeal approach to continuing the series. You know, the kind of serialized story that takes up 85-90% of the pages in the book and the remaining pages are descriptions and excerpts from the author's other works. That is precisely what happens in this book when the main story ends at the 88% mark and is followed by a
