When your diet is full of greens, yellows, and oranges, you know you're getting plenty of fiber and other nutrients, and not a lot of simple carbohydrates and bad fats that translates to fewer calories and weight lost. Five servings of veggies a day keeps your body running on premium fuel, keeping it full on lower-calorie foods, and may even help prevent disease.

The Simple Diet T Nation

What I like about this diet is that you can follow it long term. I should point out that to me, a diet doesn't mean a plan you follow for a set time to accomplish a goal; it's simply a word to describe one's eating. But denying yourself sucks, and we only have so much will power, so I want you to cheat on this plan. For one meal, once a week, every week, you can eat whatever you want, as much as you want. No limits.
