Sewing machine - Wikipedia

A sewing machine is a machine used to stitch fabric and other materials together with thread. Sewing machines were invented during the first Industrial Revolution to decrease the amount of manual sewing work performed in clothing companies.

Sandman-Collectibles - ID Singer Machines

From around the late 1950's on-ward, most Singer Sewing Machines had their Model Numbers clearly visible on the front or base of most machines. Prior to the late 1950's, most Singer machines DID NOT have the Model Number anywhere on the machine, thereby making it very difficult to identify.
