your other coursework, these skills include time
management, organization, research and writing skills, and
engaging creatively with the material.

Study Skills | SkillsYouNeed

Study skills are not subject specific - they are generic and
can be used when studying any area. You will, of course,
need to understand the concepts, theories and ideas
surrounding your specific subject area. To get the most out
of your studies, however, you'll want to develop your
study skills.
