Essential antenatal perinatal and postpartum care

Abstract Much has changed in antenatal, perinatal and postpartum care in recent decades, and many of the changes have arisen from a questioning - and in some cases discarding - of many of the interventions which had previously been considered appropriate or even essential.

WHO principles of perinatal care the essential antenatal

A comprehensive training program, based on the principles, is now being offered throughout the European region. This paper describes the development of the WHO principles and the WHO training course "Essential Antenatal, Perinatal and Postpartum Care." Together they provide an innovative model of evidence-based and psychosocially sensitive care for the future guidance of perinatal policy makers and caregivers worldwide.
